Expenses for public transportation, car rentals, lodgings, meals are billed at cost. Mileage is billed at IRS rate. I try to purchase non-refundable economy class air tickets to keep down the cost. If I have purchased tickets and then have to change them because of postponement or cancellation, I bill for the change fee and the travel agent's fee. Other expenses (e.g. secretarial, photocopying, postage, telephone) are normally included in the per diem charges, unless they are excessive.

Please note: If you wish to have an "official record" of the proceeding, you must arrange for a neutral reporter. I make notes to supplement my recollection, but these notes do not constitute the "official record" and are not available to the parties under any circumstances. These notes are discarded once my jurisdiction has expired.

NOTE: The arbitrator shall not charge any fee other than the above stated fees. 03/18
