

Rodney G. Pasch, Commissioner, has been a member of the WERC since May of 2011. Pasch previously served as Consultant/Director Human Resources for the City of Fond du Lac (2005-11); as the lead Consultant in the design and development of a corporate university for the US Department of Health and Human Services (2002-03) and as Vice President of Academic Affairs, Human Resources, Facilities and Informational Technology Services for Moraine Park Technical College (1985-2002). He also has nine years of full-time teaching experience at the university and technical college levels, and two years of service as US Army combat engineer.

His educational background includes a doctorate in Educational Administration from UW-Madison and a BS/MS degree in Industrial Technology from UW-Platteville.

Pasch has served in numerous state and local leadership positions, including as a past chairperson of the Fond du Lac Area Economic Authority, as a member of the former Wisconsin Council on Municipal Labor Law, and as a Consultant/Evaluator for the North Central Association, The Higher Learning Commission. He has received numerous awards and recognitions, including recognition from the National Society of Human Resources in 2009 for the implementation of a program for employees titled "Have a Career -- Make a Life."
