 Case III No. 8597 ME-7
 Decision No. 6245

MEMORANDUM ACCOMPANYING DIRECTION OF ELECTION

Milwaukee District Council 48 petitioned the Board to conduct a separate election among certain employees employed by the City of Milwaukee in the Comptroller. This request was contained in the petition filed by said labor organization, which petition also related to other employees of the Municipal Employer. The Comptroller is a separate department of the Municipal Employer. None of the parties raised an issue concerning the appropriateness of a collective bargaining unit consisting of only employees in the Comptroller. If a majority of the employees indicate a desire to be represented by Milwaukee District Council 48 and its Local No. 428, employees will have been considered to establish themselves as a separate collective bargaining unit.

The organization of the Comptroller is as follows:

Eligibles

The parties stipulated that the following ten (10) positions are supervisory and that one (1) position is confidential and therefore are not eligible. Six (6) additional positions were claimed to be supervisory by the Municipal Employer. The Board found that two (2) of the disputed positions are supervisory. The following positions and incumbents thereof shall be excluded from the eligibles:
