All positions in the Departments listed below are not eligible to participate in any elections to be conducted by the Board:

County Board	County Court, Misdemeanor and Traffic Division
County Executive	Jury Commission
Corporation Counsel	County Court, Civil Division
Civil Service Commission	Board of Public Welfare
Coroner's Office	Management and Budget Analysis Department
County Court, Probate Division	
Circuit Court, Criminal Division	

Said departments, other than the courts, are performing executive, legislative, or managerial functions as they apply to employment relations on behalf of Milwaukee County.

The positions in the courts are either court reporters, who are deemed "craft" employees within the meaning of Section 111.70, Wisconsin Statutes, or judges, which are exempt positions.

In the original Direction of Elections, the Board directed that elections be conducted within 120 days from May 3, 1965, the date upon which the original Direction of Elections was issued. It now appears to the Board that it will be impossible to conduct the balloting within the time specified in the original Direction. The County should be given a reasonable time to prepare the eligibility lists in accordance with the determinations made by the Board with respect to the eligibility of employees. Therefore, the period during which the elections are to be conducted hereby is extended an additional one-hundred and twenty (120) days.

Given under our hands and seal at the City of Madison, Wisconsin, this 9th day of August, 1965.
