Case XX  
No. 11522 ME-312  
Decision No. 8099

The facts in the instant proceeding, as well as the issues involved, are similar to those facts and issues existing and raised in a companion case involving the same parties with respect to a

petition for election filed by the same labor organization, affecting certain employees in the Department of Public Works. For the reasons stated therein<sup>1/</sup>, we have rejected the Intervenor's position that the Board dismiss the petition and we have therefore directed an election in the matter.

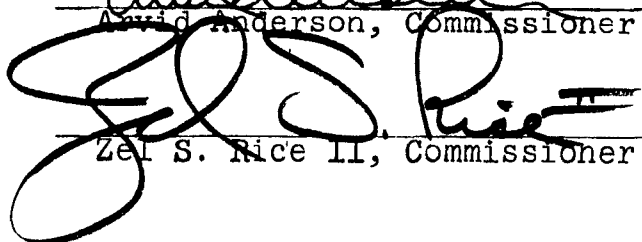

Dated at Madison, Wisconsin, this 10th day of July, 1967.
