MEMORANDUM ACCOMPANYING DIRECTION OF ELECTION

Because of the fact that the school year is about to close and the employes will not be working their normal hours during the school vacation period at such time as the vote is conducted, and because the parties could not agree as to the means of advising the employes as to the coming vote or as to whether the employes should vote by mail or otherwise, the Commission has determined to conduct the election by mail ballot. As a result the Municipal Employer is being requested to furnish the Commission, within ten (10) days of the receipt of a copy of this Direction, a list of the names and home addresses of the employes in the bargaining unit in order that the Commission may send each employe a notice of the election and a ballot upon which to designate his choice with respect to representation. Prior to the mailing of such materials to the employes the Commission will advise the representatives of the parties the procedures adopted by the Commission for the conduct of the mail ballot.

Dated at Madison, Wisconsin, this 10th day of June, 1969.
