MEMORANDUM ACCOMPANYING DIRECTION OF ELECTIONS

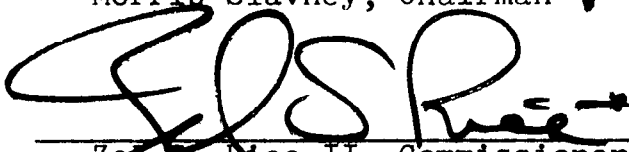

In its petition the Union requested the Commission to conduct an election in a single unit consisting of all regular employees of the Street Department, excluding the Street Superintendent, and all regular employees of the Police Department, excluding the Chief of Police. During the course of the hearing the parties stipulated to two separate bargaining units; one, consisting of Street Department employees, and the other, consisting of employees in the Police Department. We accept such stipulation on the basis that the Commission believes it would effectuate the policies of the Act not to include law enforcement personnel in units of other city employees.

Dated at Madison, Wisconsin, this 11th day of February, 1972.
