1/ In the letter accompanying the filing of the petition, Counsel
for the Petitioner indicated that a copy of the petition had
been sent to the City Attorney of the City of Waukesha and

MEMORANDUM ACCOMPANYING ORDER FOR HEARING
AND ORDER TO PRODUCE WRITTEN OFFERS

In addition to setting hearing on the petition filed in the instant matter, the Commission has ordered the Association and the Municipal Employer to file with the Commission, in writing, on or before June 22, 1972, their final offers on the issues remaining in their negotiations. Said "final offers" should be set forth in detail and not be generalized.

For example, if one of the unresolved issues involves salaries, the Association and the Municipal Employer should specifically set forth their final offers with respect to salaries. If different salary demands or offers are made with respect to different positions, such specific demands or offers should be set forth. The demands and offers with respect to other issues should also be specifically set forth. Such specificity is required in Section 111.77(4)(b) of the Municipal Employment Relations Act.

Dated at Madison, Wisconsin, this *18th* day of May, 1972.
