MEMORANDUM ACCOMPANYING DIRECTION OF ELECTION

During the course of the hearing a question arose as to whether Donald Bartilson is a supervisory employe within the meaning of the Act, and, therefore, whether he should be excluded from the bargaining unit. On June 16, 1972, the Employer, by its Counsel, in writing, advised the Commission that Mr. Bartilson indicated that he no longer desired to take any responsibility as a service manager and that he desires to be a mechanic, and that as of Monday, June 12, 1972, Bartilson was so classified. Therefore, the issue is now moot, and the eligibles in the unit are Donald Bartilson, Steven Winger and Randy Sahein.

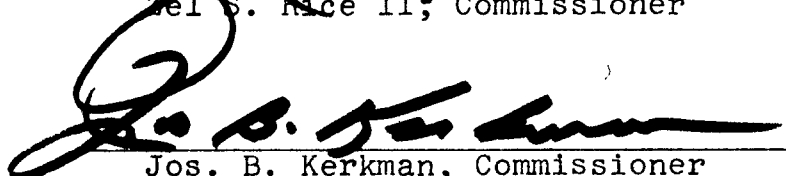

Dated at Madison, Wisconsin, this 21st day of June, 1972.
