XIX Decision No. 11523

MEMORANDUM ACCOMPANYING
DIRECTION OF ELECTION

The parties stipulated to the conduct of an election and the exclusion of certain positions from the collective bargaining unit. The voting eligibility of two positions remains in dispute. The position of Licensed Practical Nurse occupied by Annette Smith, and the position of Working Maintenance Supervisor occupied by Chester Voelker were held to be supervisory by the Municipal Employer.

In order to expedite the proceedings, the parties stipulated that the ballots cast by the incumbents of the aforementioned positions would be challenged during the course of the election. If necessary, final disposition as to the supervisory status of said position will be made subsequent to the election outcome.

Dated at Madison, Wisconsin, this 9th day of January, 1973.
