No. 12320-A

MEMORANDUM ACCOMPANYING ORDER OF DISMISSAL

The instant petition for unit clarification raised issues concerning the inclusion in the bargaining unit of the position of Parent Locator and Investigator and certain radio operators alleged to be casual employees. Prior to the opening of the hearing on the petition, the parties entered into a stipulation wherein they agreed that the Parent Locator and Investigator would be excluded from the bargaining unit since the occupant of said position does not have the power of arrest. The parties further agreed that all radio operators who work less than full-time and who have the power of arrest, are presently casual employees and thus are excluded from the unit, except for Richard Girouard who is a regular part-time employee with the power of arrest and thus Girouard is included in the unit.

Based on said stipulation, the Commission is dismissing the petition.

Dated at Madison, Wisconsin, this 20th day of December, 1977.
