STIPULATED ORDER

Northeast Wisconsin Vocational, Technical and Adult Education District Board, hereinafter Complainant, having filed a complaint on May 20, 1976 with the Wisconsin Employment Relations Commission, hereinafter the Commission, alleging that Northeast Wisconsin Technical Institute Faculty Association, hereinafter the Respondent, has committed prohibited practices within the meaning of Section 111.70 of the Municipal Employment Relations Act (MERA); and the Commission having appointed Sherwood Malamud, a member of its staff, to act as Examiner to make and issue Findings of Fact, Conclusions of Law and Orders pursuant to Section 111.07(5) of the Wisconsin Employment Peace Act as made applicable to municipal employment by Section 111.70(4)(a) of MERA; and Respondent having moved that the complaint in the instant matter be made more definite and certain; and the Examiner having granted said motion and Complainant having amended its complaint and Respondent having filed its answer thereto; and hearing in the above matter having been held at Green Bay, Wisconsin on August 15, 1976; and during said hearing the parties having entered into an agreement and stipulated to the Examiner's issuance of an Order on the basis of said agreement; and the parties having stipulated as follows:
