MEMORANDUM ACCOMPANYING
ORDER GRANTING IN PART AND DENYING IN PART MOTION TO
MAKE COMPLAINT MORE DEFINITE AND CERTAIN
AND EXTENDING DATE FOR FILING ANSWER

The Wis. Admin. Code, section ERB 12.02 (2) (c) requires that a complaint of prohibited practices contain "a clear and concise statement of the facts constituting the alleged prohibited practice or practices including the time and place of occurrence of particular acts and the sections of the act alleged to have been violated thereby." The Examiner has reviewed the complaints herein and Respondent's motion to make same more definite and certain. Where the Examiner has ordered Complainant to make same more definite and certain it is because the allegations are not sufficiently clear to enable Respondent to answer. Whereas, on the other hand, in those instances wherein Respondent's motion was denied, it was because said complaint allegations are sufficiently clear to enable Respondent to answer.

Dated at Madison, Wisconsin this 10th day of October, 1977.
