ORDER SETTING ASIDE EXAMINER'S ORDER AND DISMISSING COMPLAINT

Examiner Amedeo Greco having, on January 15, 1980, issued his Findings of Fact, Conclusions of Law and Order in the above-entitled proceeding wherein he found inter alia that the Respondent violated Section 111.70(3)(a)5 of the Municipal Employment Relations Act (MERA) by refusing to consult with the Complainant over its change of insurance carrier, and wherein the Examiner ordered the Respondent to cease and desist therefrom and to take certain affirmative action with respect thereto; and thereafter the Respondent having timely filed a petition for Commission review of said Examiner decision, pursuant to Section 111.07(5), Wisconsin Statutes; and thereafter the Complainant having advised the Commission that while it did not believe that the Examiner's decision was in error, it wished to withdraw the complaint and have the Examiner's order set aside because the parties had agreed, as part of their regular negotiations, to the identity of the existing insurance carrier and to a procedure for consultation with regard to any future changes in the identity of the insurance carrier; and the Commission having advised the Respondent that it intended to set aside the Examiner's order and dismiss the complaint on the basis of said request unless an objection was received; and no such objection having been received;

NOW, THEREFORE, the Commission enters the following

ORDER

The Examiner's Findings of Fact, Conclusions of Law and Order in the above-entitled matter are hereby set aside and the complaint herein is dismissed on the basis of the Complainant's request.

Given under our hands and seal at the City of Madison, Wisconsin, this 26th day of March, 1980.
