MEMORANDUM ACCOMPANYING ORDER

On March 20, 1991, an Order was issued denying Complainant's request to hold proceedings in abeyance. On June 6, 1991, Complainant suggested the matter be held in abeyance pending proceedings in a related case. Consistent with the aforementioned Order, the Examiner declines to hold the matter in abeyance and finds it appropriate to set a firm date for hearing.

Having previously learned that there are no dates in July or August that are available to all the parties, the Examiner now turns to September. When the Complainant has identified three dates that he is available for hearing, the Examiner will contact the Respondents to confirm their availability.

Dated at Madison, Wisconsin this 19th day of June, 1991.
