

STATE OF WISCONSIN
CIRCUIT COURT
BROWN COUNTY
BRANCH I

PREMONTRE EDUCATION ASSOCIATION,
Petitioner,

vs.

WISCONSIN EMPLOYMENT RELATIONS COMMISSION,
Respondent.

Case No.: 92-CV-1309
Decision Nos. 26762-B and 26763-B

DECISION

I have already entered a judgment dismissing this case. I now have before me a Motion for Clarification and Reconsideration by the petitioner.

The petitioner asks me to reconsider because I did not consider their brief and because Wisconsin Statute 227.53(1) provides that "any person aggrieved by a decision specified in Sec. 227.52 shall be entitled to judicial review thereof as provided in this chapter." The petitioner argues, therefore, that they have standing because "Art. I sec. 21(2) of the Wisconsin Constitution guarantees the right of any individual to proceed pro se and represent themselves."

I have considered all of the arguments made by the petitioner and I remain unpersuaded by them because of the reasoning set forth in my principal decision upon which the judgment is entered.

Accordingly, the Motion for Reconsideration and Clarification is denied without costs.

Dated this 11th day of December, 1992.

Honorable Richard G. Greenwood
