[Decision No. 29933-C]

[NOTE: This document was re-keyed by WERC. Original pagination has been retained.]

You are hereby notified that the Court has entered the following order:

01-1016	Milwaukee District Council 48, AFSCME, AFL-CIO, and its affiliated Local 1486 v. Wisconsin Employment Relations Commission
---------	--

Before Wedemeyer, P.J.

The Wisconsin Employment Relations Commission (WERC), the respondent in this appeal, moves the court to summarily affirm the decision and order of the circuit court that are the subject of this appeal. WIS. STAT. RULE 809.21 (1999-2000). Appellant Milwaukee District Council 48, AFSCME, AFL-CIO, and its affiliated Local 1486, has filed a response opposing the request.

The request for summary disposition will be denied. First, the request is premature. The appellant record has not yet been filed, and neither has the appellant's brief in this matter. Without these materials, the court cannot fairly decide a request for summary disposition.

In addition, the court has reviewed the request and the response and, even without the record, the court can see no reason as to why this case in particular is appropriate for summary disposition. The court cannot conclude that this case can or should be decided without full briefing by the parties.

IT IS ORDERED that the respondent's motion for summary disposition of this appeal is denied.
