**MEMORANDUM ACCOMPANYING ORDER DISMISSING PETITION**

Section 111.70(4)(d)3.b., Stats., requires that the Commission annually conduct an election to determine whether at least fifty-one percent (51%) of employees in a collective bargaining unit want to continue to be represented by their current collective bargaining representative. For bargaining units consisting of general municipal employees (including Village employees), the election is to be conducted no later than May 1 of each year.

To provide a process by which such elections will be conducted, the Commission promulgated Wis. Admin. Code § ERC 71. Wis. Admin. Code § ERC 71.03(7) required that a petition requesting the conduct of the annual fifty-one percent (51%) election be filed on or before January 30. Wis. Admin. Code § ERC 71.03(7) further specified that if a petition was not timely filed the collective bargaining representative lost its status as the collective bargaining representative as of January 30 or as of the expiration of any existing collective bargaining agreement, whichever was later. Lastly, pursuant to the statutory directive in § 111.70(4)(d)3.b., Stats., Wis. Admin. Code § ERC 71.03(7) stated that the employees could not be included in a substantially similar bargaining unit for at least one (1) year from the date representative status was lost.

IBEW Local 965's petition was not received on or before January 30, 2014. Therefore, the petition is dismissed and the consequences specified by Wis. Admin. Code § ERC 71.03(7) are applicable.

Dated at Madison, Wisconsin, this 30th day of April 2014.
