MCC LABOR GROUP, Complainant

vs.

SAUK PRAIRIE SCHOOL DISTRICT, Respondent

Case ID: 179.0005
Case Type: COMP_MP

DECISION NO. 39285

ORDER DISMISSING COMPLAINT

MCC Labor Group, having on December 10, 2018, filed a prohibited practices complaint with the Wisconsin Employment Relations Commission, alleging that the Sauk Prairie School District had committed prohibited practices within the meaning of Wis. Stat. § 111.70. The case was never set for hearing and was held in abeyance for several years. On September 10, 2021, the Commission advised the parties that it planned to close the file unless notified to the contrary by September 30, 2021. The Commission did not receive any objections to closing the file from either party. Accordingly, the Commission is satisfied that the complaint should be dismissed on that basis.

NOW, THEREFORE, it is

ORDERED

That the complaint filed in this matter is dismissed.

Issued at the City of Madison, Wisconsin, this 17th day of November, 2021.
