DECISION  
AND  
ORDER

Before: James R. Morgan, Calvin Hessert and Dana Warren, Board Members.

DECISION

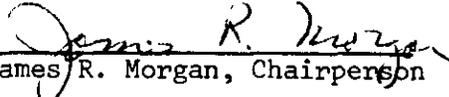

In the Opinion and Order of November 15, 1977, we required that respondent "provide the Board and the appellant within 15 working days of the date of service of this order a list of all the benefits denied the appellant together with an explanation of each denial." (Olson v. Carballo, Case No. 35 (November 15, 1977), page 4.) Such a response was provided by letter dated December 20, 1977. While from the correspondence received to date there appears to remain a dispute over whether these benefits were properly denied, we conclude that respondent has complied with the above Opinion and Order and that this case should be dismissed.

ORDER

IT IS HEREBY ORDERED that this appeal is dismissed.
