Appellant,

v.

JOHN C. WEAVER, President,
University of Wisconsin,

Respondent.

Case No. 74-120 .

ORDER
OF
DISMISSAL

On October 24, 1974, Appellant, Jay S. Smith, filed an appeal with the Board from his discharge by the University of Wisconsin. On December 6, 1974, the Board mailed the Appellant notice of a prehearing conference to be held in his case on December 18, 1974, but neither Appellant nor anyone else in his behalf appeared at the said conference. On December 20, 1974, the Board sent a letter to the Appellant advising him that unless he filed a written statement with the Board within 10 days of the date of the letter showing a reasonable excuse for Appellant's non-appearance at the prehearing conference, the matter would be dismissed.

The 10-day period has elapsed, and the Appellant has not to date filed any written statement with the Board relating to his non-appearance.

IT IS THEREFORE ORDERED that the case is dismissed.
