Respondent.

Case No. 75-10

OFFICIAL

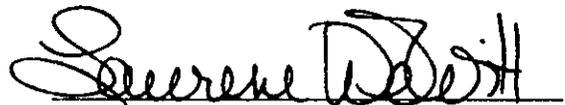

ORDER

Before: DeWitt, Wilson, Morgan, Warren and Hessert, Board Members.

The request for reconsideration or rehearing is denied. Although the board has no jurisdiction over the subject matter of this appeal it will resolve the collateral issues identified on page four of the proposed decision relative to the questions of whether the appellant is entitled to be reimbursed for time traveling to and from the prehearing conference and for attendant expenses, and whether two state employes who testified at the hearing should be allowed to keep witness fees and mileage expenses tendered them by the appellant, in the exercise of ancillary jurisdiction. Accordingly, respondent is directed to serve and file his brief on these issues, including any evidentiary material or request for further hearing, within ten working days after the date of service of this order.

Dated August 25, 1977.
