 LOLA M. MEVES,
 Appellant,

 v.
 VERNE H. KNOLL, Deputy Director,
 State Bureau of Personnel,
 Respondent.

 Case No. 76-219

Before: DEWITT, Chairperson, HESSERT, MORGAN, and WARREN', Board Members,

The parties stipulated to the consolidation of these reallocation appeals which involve apparently very similar positions in the same agency. The respondent moved to dismiss Ms. Link's appeal on the grounds of mootness, because of the appellant's alleged transfer into a Payroll Clerk 1 position in DHSS. The record contains no factual background concerning Ms. Link's transfer, such as the date and the circumstances under which it was made.

It is ordered that these cases be scheduled for hearing on the merits with a ruling on the motion to dismiss Link v. Knoll, 76-214, reserved until after the hearing. The parties may introduce evidence at the hearing that is material to the question of mootness.

Dated April 25, 1977.
