VIRGINIA HAGENGRUBER,

Appellant,

v.

Secretary, DEPARTMENT OF INDUSTRY,
LABOR, & HUMAN RELATIONS,

Respondent.

Case No. 80-29-PC

* * * * *

DECISION
AND
ORDER

The appellant has appealed her termination by respondent. Respondent moved to dismiss the appeal as one over which the Commission had no jurisdiction because appellant had been a limited term employe (LTE). There is no dispute about appellant's LTE status.

The Commission has ruled that it does not have jurisdiction over LTE appeals of discharges. Klopp v. UW, Case No. 79-33-PC, 5/7/79. The prior decision is dispositive of the issue raised.

ORDER

This appeal is dismissed for lack of jurisdiction over the subject matter.
