ORDER GRANTING PETITION FOR REHEARING

On April 19, 2016, the Wisconsin Employment Relations Commission issued a Decision and Order in the above matters concluding in part that the University of Wisconsin - Madison (UW) violated the civil service restoration rights of Andrew T. Murphy. To remedy that violation, the Commission ordered in part that Murphy receive any difference in compensation between the position he currently holds and the position he should have received. On May 9, 2016, the UW filed a petition for rehearing asserting that the Commission lacked statutory authority to order such compensation. Murphy filed a statement in opposition to the petition on May 20, 2016.

We have considered the petition and concluded it should be granted to allow us to determine if we made an error of law in our Order.

NOW, THEREFORE, it is

ORDERED

The petition for rehearing is granted.

Signed in the City of Madison, Wisconsin, this 8th day of June 2016.
