

STATE OF WISCONSIN
BEFORE THE PERSONNEL BOARD

Thomas P. Mog,)
Appellant,)
vs.)
Donald E. Wilkinson, Secretary)
Department of Agriculture,)
504 Respondent.)

ORDER
DENYING JURISDICTION

The Wisconsin Personnel Board has examined official documents on file within the State Bureau of Personnel and having received notice of a letter of appeal, together with information showing that the Appellant was originally employed by the Wisconsin Department of Agriculture, and that by his own action he terminated such employment by resignation, and it further appears that such resignation was submitted on April 10, 1972, and that the request to appeal therefrom was dated August 2, 1972;

It therefore appears that the Board does not have jurisdiction to hear the matter and that the matter should be dismissed for want of jurisdiction and that the matter has not been timely submitted;

IT IS, THEREFORE, ORDERED AND ADJUDGED That the appeal letter to the Director, Bureau of Personnel, dated August 2, 1972, be rejected and that the Board dismiss the request for a hearing, for lack of jurisdiction, and that a copy of this Order be forwarded to the Appellant at his last known post office address.

Dated at Madison, Wisconsin, this 15th day of September, 1972.
