OFFICIAL

ORDER

On December 3, 1974, this matter came on for hearing before Percy L. Julian, Jr. as the hearing officer. The Appellant appeared personally and by Richard V. Graylow, his attorney. The Respondent appeared by Assistant Attorney General John William Calhoun. At the outset of the hearing the parties, on the record, entered into a stipulation resolving the matters in dispute and agreed further that the Board might enter an Order implementing the terms and conditions of the stipulation.

NOW, THEREFORE, IT IS ORDERED

- 1) That the Respondent pay to the Appellant the amount of a \$7 merit pay increase commencing on July 6, 1973.
- 2) That this Order and settlement does not constitute precedence for future grievances, nor indicate a change in the policy of the Board of Vocational, Technical and Adult Education.
- 3) That this Order and settlement does not and will not in any way be construed as an admission that the Board of Vocational, Technical and Adult Education has violated Chapter 16 of the Statutes of the State of Wisconsin or the Rules of the Director of the Bureau of Personnel.
- 4) That this Order and settlement is intended to harmonize the relationship of the parties, and toward that end the parties agree that discussion of this

settlement will be kept at a bare minimum between the employees of the agency.

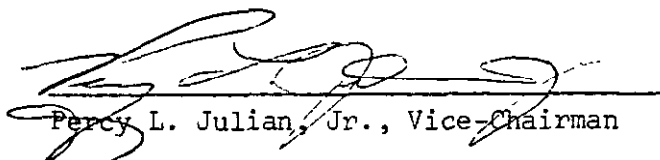

5) That this Order and settlement is not intended to apply to Appellant's grievance with respect to the 1974-75 merit increase, or to his grievance regarding his classification.

6) That the Appellant's appeal is hereby dismissed on its merits.
