 Buller Request for Investigation  
 Case No. 77-13-I  
 \*\*\*\*\*

ORDER

**OFFICIAL**

Before: DeWitt, Chairperson, Wilson, Warren and Hessert, Board Members

DECISION

Pursuant to Section 16.05(4), Wis. Stats., Mr. Buller requested that this Board investigate his termination from limited term employment. We denied his request by an order dated April 24, 1977. Mr. Buller then requested that we reconsider our decision not to investigate. The Department of Veterans Affairs was asked to respond to such request and did so.

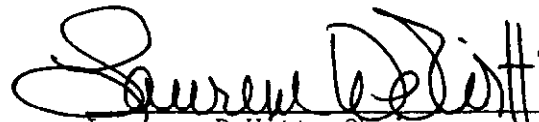

Upon reconsideration we have decided to investigate by way of an evidentiary hearing into the specific reasons for the termination of the limited term employment of Mr. Buller. After such hearing we will determine what further proceedings or actions, if any, would be appropriate.

ORDER

IT IS HEREBY ORDERED that an investigation be commenced in the manner set forth above.
