**MEMORANDUM ACCOMPANYING DECISION AND ORDER**  
**DISMISSING APPEAL**

Pursuant to the appeal procedures found in Wis. Stat. § 230.44 (1)(d), “A personnel action after certification which is related to the hiring process in the classified service and which is alleged to be illegal or an abuse of discretion may be appealed to the commission.” And pursuant to the time limits found in Wis. Stat. § 230.44(3) “Any appeal filed under this section may not be heard unless the appeal is filed within 30 days after the effective date of the action, or within 30 days after the appellant is notified of the action, whichever is later . . . .”

Here, Grier was notified that he was not being selected for a DOC Correctional Officer position on May 29, 2025. Grier filed his appeal with the Wisconsin Employment Relations Commission on July 7, 2025-well after the 30 day time limit for filing a timely appeal had expired. Grier’s assertion that his untimely filing should be excused because he was transitioning between phones is not found to be persuasive,

Therefore, the appeal in this matter has been dismissed as untimely filed.

Issued at the City of Madison, Wisconsin, this 10<sup>th</sup> day of November 2025.
