ORDER

On February 3, 2026, the Wisconsin Employment Relations Commission issued a Decision and Order reinstating D.G. to paid status with the State of Wisconsin Department of Public Instruction. Between the date of her reinstatement and the date her State health insurance benefits were restored, D.G. incurred out of pocket medical costs.

Consistent with her reinstatement to paid status, compliance with the Commission's February 3, 2026, Order requires payment of those expenses with appropriate offsets including the insurance premium cost she would have paid had benefits been immediately restored and any expenses that insurance would not have covered.

Issued at the City of Madison, Wisconsin, this 9th day of April 2026.
